7pm
 Club Field

Thanks
 For Volunteering!
George Ashley
 Board Member
 2011

At The Field

President's Corner

The heat has been brutal lately but that hasn't slowed down the action at the field. Even with temps approaching 100 degrees everyone is still flying! Thank goodness for hats, sunscreen and ice-water. Just a reminder—be careful out there and drink plenty of water. Dehydration will sneak up on you when you spend all day at the field. Don't ask me how I know :)

Thanks to George Ashley for stepping up filling the empty Board Member position. We all appreciate it.

The Club voted at the last meeting to have summer meetings at the field instead of the library. **Don't forget—May through September meetings will be at the field!** Maybe we can work out some night flies on those dates too. It'll work well for visitors who'd like to see the field as well as attend a meeting.

See you at the field . . .

Wes "Scott" Parker

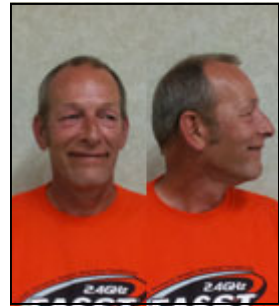

Meeting Minutes - July

Meeting called to order at 7pm. Treasurers report...\$10 dues increase and investment ideas... Moved, second and passed. Previous minutes passed as published. George Ashley was inducted as Board member. Shed progress tabled in lieu of material list. Field meetings during May through September...moved, second, passed. Prospect of holding pattern events tabled due to encroachment possibility. NEW MINUTES..... Remaining scheduled events deemed Fun Flies.

For more information - Officers, Board Members and contacts see the website

Barnstormers come to our field in August... Lets show them a good time. Meeting adjourned at 7:43pm.

Mug Shot—James Parks!

If you need help, James is your man. You know he's always ready to help but here are some things you may not know.

James has been flying since 1988 with a little time off here and there. He got interested in RC when his brother and mentor took up hang-gliding. It's hard to say which are his favorite models but his Corsair, Cub and Fourstar are among them. James works for KO Manufacturing as a Production Lineman. Other interests include art, photography and volunteering in general. Thanks James!!
