NOTICE!

Our club by-laws state that the dues renewal period for the next calendar year expires on December 31 of the current calendar year. After that, a \$25 re-initiation fee penalty will be imposed as of the end of the Chili Fly on January 1st. Those who do not renew their club membership on or before that time can no longer fly or vote until they renew, since their club membership will be considered lapsed. Our Treasurer, Bob Schwandt, will be taking renewal dues at the December 4th Christmas Party and at the annual New Year Day Chili Fly.

President's Corner

by David Campbell, President

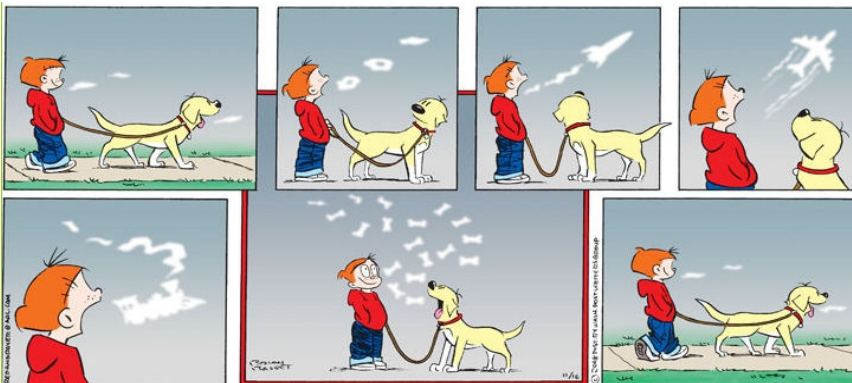

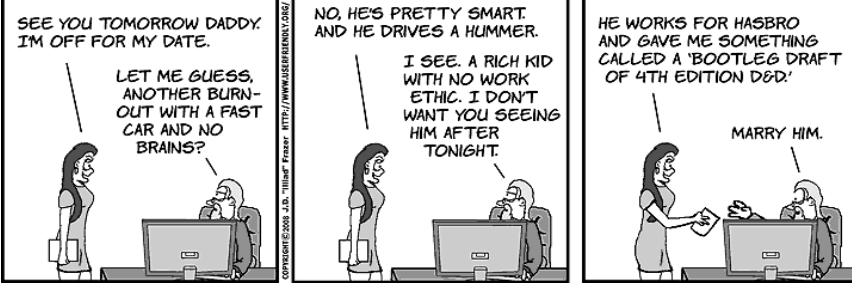

As I sat down to write my last letter as President of the Club for 2008 it occurred to me that I have not paid my club dues for the upcoming 2009 flying season. Oh I see you haven't thought about them either! That's right, they are due by December 31st or you will be considered a new member. It would also mean that you can not fly at the Jan 1st chilly fly! I know some of the members did not like that rule change but it sure has made it a lot easier on the Treasurer. I'm sure most of you will be bringing your dues to the Christmas Party and paying there if you are able to attend. That works well and last year most of the club paid their dues at that time. As the out-going President I want to leave you with this. One year ago the club was fighting and bick-

ering and trying to oust some members. Please don't fall back into that behavior and start all of that up again. It is always easy to see someone else's faults and ignore our own. (The other person doesn't follow the rules so I won't either!) We need to remember that this is a flying club and we fly to have fun. We need all of the members in order to be a chartered club and to keep the facilities that we have. If our membership falls below a certain number then we don't generate enough cash to pay for the expense of mowing the field and keeping up with the maintenance.

Thanks for letting me serve as the Club President for 2008. I wish my health was better and that I could get out and fly more. You won't miss it until you can't do it so have fun and try to get along with everyone at the field.
