

VOLUME 30 :: ISSUE 01 :: JANUARY 2018

**Hello Blacksheep**, as you know Mr. Dennis Mood has been putting our newsletters together for us for some time. However since Dennis and his wife are going to relocate to the K.C. Area this task has now become my responsibility.

**I want to thank Dennis for all of his work in putting our newsletters together in the past.** I

will try to follow his great example. Ron Hargrave

**The 2017 Christmas party** was held at the Boathouse on Lake Springfield on Dec. 7<sup>th</sup>. We had an excellent turnout and the food that the ladies provided was excellent. Christmas decorations and music with great fellowship made for a very entertaining evening. If you missed the party in 2017 plan to attend in 2018.

**4<sup>th</sup> Annual Blacksheep Swap meet.**

We do have another upcoming Blacksheep event, and that is the **4<sup>th</sup>. Annual Blacksheep swap meet.** Darrell Wilson is organizing this and has secured a facility for our use on March 3<sup>rd</sup>. The swap meet will be held at the Barn House Event center, located at the intersection of Highway 60 and The James River Freeway (highway 413). Doors will open at 6:00 AM for set up with the public admitted at 8:00 AM. We will close at 1:00PM.

Tables can be reserved for \$10.00 contact Ron Hargrave if you wish to reserve a table. We should have approx.. 40 tables at the swap meet,. There will be RC enthusiasts from all parts of this region with lots of bargains. Plan on attending and enjoying a Saturday morning with some more folks that are also interested in RC airplanes, boats, cars, and helicopters.

**Upcoming Blacksheep Meetings.**

We will be meeting at the Library Center South the first Thursday of Feb, March and April. May through September will be at the Blacksheep field. Note the meetings start at 7:00 pm.

**January Chili Fly.**

Some of our brave souls did attend the Jan. 1<sup>st</sup>. chili fly at the field; See the facebook page. Your stalwart editor was out of town so I had an excellent excuse for not being there. Saw the pictures (sure looked cold)!

See you guys at the field and at the meetings. We will be inserting some photos into the newsletter as I become a little bit more familiar with the layout. If you have something you would like to see in the paper let me know.
