 Electrical Work
 Building Maint
 General Cleanup

There is plenty of work to be done. Bring your work gloves and help out!

YOU

AIRMAIL :: VOLUME 24 :: ISSUE 3 :: MARCH 2012

President's Corner

With the weather warming up I've had the chance to spend some much needed time at the field and the first thing I noticed was the bugs. Our mild winter has left us with lots of bugs so don't forget the bug spray. The field looks great and once we get some new siding on the building we'll be all set. Don't forget field maintenance day on the 14th. Only two big projects on the schedule—siding on the shed and running some electrical to the flight stations. We'll talk about the specifics of what we need for those projects at the meeting and rally some volunteers. Otherwise just general cleanup like always. The fridge is full of who-knows-how-old-this-is condiments and food. If you want any of that stuff saved you better mark it because otherwise we'll throw it out. Food poisoning is no way to start out the year! Sweep out the building and straighten things up and we should be good to go. I always look forward to field maintenance day. It's always fun to see everyone work together. Hope to see you there!

See you at the field . . .
 Wes "Scott" Parker

Programs (still) Needed for Meetings

We'd like to reintroduce some short programs for our meetings. Have a special talent or skill related to our hobby? Have something interesting to share? Put together a short program (to match our attention span) and present it at one of the meetings. We need you!

Events for 2012

- Field Maintenance Day 04/14
- BCFO Charity Fly 05/12
- Barnstormers Fun Fly 05/19 (there)
- Family Day 06/02
- Military Sorties 06/16
- Barnstormers Fun Fly 07/14 (here)
- Float Fly—Lucas Speedway 08/04

Night Fly Anyone?

I'd like to schedule a night fly soon. If you have a night plane and are interested please let me know. LED's are cheap and easy! - Wes

2011
Wife of the Year
Wanda Scott

President's Corner

The Christmas Party was a success. Everyone really seemed to like the Boat House and the food was fantastic. Monica from Meals by Monica did a great job with the catering so be sure to call her if you ever need her. Everyone seemed to enjoy the picture presentation and there were several awards this year. Thanks to the award winners for making this club so much fun. And special thanks to all of you who pitched in to make it all happen. There were too many volunteers to list here so I'll just say THANKS to all of you! Can't wait to do it again next year!

See you at the field . . .

Wes "Scott" Parker

Don't forget the Chili Fly

The Chili Fly promises to be much warmer this year than last. For those of you who were there last year—IT WAS COLD!! It's looking good this year with temps expected to be in at least the upper 40's. It's also supposed to be windy but when has that ever stopped us? So, bring some chili and your favorite plane and enjoy the first flying day of the year. There is no "official" start time so we'll see you when we see you!

Don't forget to renew your AMA and club membership for 2012!
