VOLUME 27:: ISSUE 10:: NOVEMBER :: 2015

President's Corner

November is election month and I am pretty excited that we have some new folks getting involved! Rick Yarbrough has agreed to be President for the coming year. Rick is a great guy who everyone likes and he'll be an ideal President. Darrell Wilson has agreed to be Vice President. Darrell is also a great guy who is very club oriented. We are lucky to have them both! I will step in to the Secretary role to help Aaron get rid of his double-duties. So for 2016 we have:

Rick Yarbrough—President
Darrell Wilson—Vice President
Aaron Pennington—Treasurer
Wes Parker—Secretary
Dennis Mood—Newsletter/Board
Butch Scott—Safety Officer/Board
Adam George—Board
George Ashley—Board
Larry Thompson—Board

I have been very fortunate to have been your President for the last 5 years. I've enjoyed every minute of it thanks to all of you. I'm also excited to step back a bit and see what some fresh leadership will do for the club. 2016 promises to be a very good year!

See you at the field-
Wes "Scott" parker

Christmas Party

Big Whiskey's on Republic Road
Thursday, Dec 3rd @ 7pm
Order from the menu
RSVP Wes Parker

Safety First

Take some extra precautions when switching from liquid fuel engines to electric motors.

When fliers are long time fuel users, It is really easy to hold onto the assumption that the motor will not start until we start it with an electric starter or chicken stick. Keep in mind that when transitioning to electric motor flight, the prop will spin when the throttle is increased.

Newsletter Articles

If anyone has an item of interest, any tips or tricks, safety tips, or comments, please feel free to send them to me at the Editor's link at the bottom corner of the page. I will be happy to include your posts in upcoming issues.
